

AGED-GRAPPA DI MOSCATO

GRAPE

Moscato Bianco di Canelli.

DISTILLATION

From the lees of our Moscato, thanks to the great aromaticity of its skins, we obtain a one-of-a-kind Grappa with the distillation process.

REFINEMENT

Aged in oak barrels for at least 12 months.

TASTING

Delicate flavour, on the nose it displays the typical aromatic notes of the Moscato spirits.
